## BE A FRIEND. DONATE TO THE CARE FUND.

Occasionally elderly, disabled, or low-income members of our beach communities are simply unable to pay their utility bills because of a sudden or temporary financial crisis. The Beaches Energy Services CARE Program is designed to help these individuals until they can sort out their situations.

The CARE Program depends on your help to make it work. We are asking our customers in Jacksonville Beach, Neptune Beach, Ponte Vedra Beach, and Palm Valley to donate a small amount each month.

It's easy to be a friend and donate. You can volunteer to make monthly contributions by simply completing the attached sign-up form. And, Beaches Energy Services will match all contributions, doubling the impact of your generosity.

Beaches Energy Services has joined with the Beaches Emergency Assistance Ministry, Inc. (BEAM) to serve as the administrator for the CARE Program. Donations are never used for any expenses required to administer the Program. All donations go directly to the CARE Trust Fund.

Beaches Energy Services will forward requests for CARE assistance to BEAM and qualified recipients will receive one utility voucher during a twelve-month period.

Sign up today to be a friend. Call us at 247-6241 for more information or come to our Business Office to complete a CARE donation form. Better yet, complete the attached sign-up form and return it to our Business Office at ...
