

# CUSTOMER CONVENIENCE

Beaches Energy Services offers several payment options for your monthly utility bill. One of the options is our Automatic Payment Service. And it's Free!

The Automatic Payment Service pays your monthly utility bill by debiting your checking or savings account each month on the utility bill due date. You will continue to receive your monthly statement for review approximately 20 days before the due date. The statement will show the amount that will be debited against your account on the due date.

To initiate the Automatic Payment Service, simply fill out the attached authorization agreement. Please attach a voided check that shows your account number to the authorization agreement and return the agreement to Beaches Energy Services.

**That's it! We do the rest.**

When your account has been set up for the Automatic Payment Service, your monthly utility statement will show **\*\*BANK DEBIT\*\*** just below the payment stub. Remember, until your Automatic Payment Service account is set up, you should continue to pay your monthly statement as usual.

If you have any questions, please contact our business office at 247-6241.

Only customers using a financial institution within the United States are eligible for the Automatic Payment Service. If Beaches Energy Services receives notice that a customer has insufficient funds to cover a debit payment, the insufficient funds and penalty regulations of Beaches Energy Services will apply. If the customer has more than one insufficient funds event in a 12-month period, the customer will no longer be eligible for this service.
