## CERTIFICATE OF COMPLIANCE

We, the undersigned Owner and Contractor being fully aware of the provisions of Chapter 34, Division 5, Sections 34-466-Stormwater Management and 34-467-Flood Hazard Area of the City of Jacksonville Beach Land Development Code and Sections 3304 and 3307 of the Florida Building Code, as amended, hereby certify that development of the above described property will not result in:

1. Flooding of adjacent lands or adjoining property;
2. Blockage, destruction, and/or adverse impact of existing drainage systems, natural or manmade;
3. Erosion of fill or disturbed materials onto adjacent lands or environmentally sensitive areas;
4. The destruction of roadside drainage swales, roadway pavement and/or shoulders;
5. Flooding of the proposed structure during a 100-year-frequency storm or construction to an elevation less than that indicated on the [Flood Insurance Rate Maps \(FIRM\)](#) if the property is located in a flood zone; and
6. Inadequate on-site drainage in the vicinity of the proposed structure.

## RELEASE AND AUTHORIZATION

1. We, the undersigned Owner and Contractor, hereby forever release and hold harmless the City of Jacksonville Beach and its authorized agents and/or employees from and against any and all claims, actions, and lawsuits for recovery of damage, loss, cost, and injury of every kind and nature whatsoever to any property, or contiguous properties or adjacent lands, arising from the approval of this application or construction of proposed improvements.
2. We, the undersigned Owner and Contractor, hereby grant unto authorized agents and/or employees of the City of Jacksonville Beach the right to enter upon said property for inspection and enforcement activities. The City reserves the right to require the property owner and/or permit holder to implement reasonable measures regarding drainage control during construction activities, including but not limited to the submittal, acceptance and review of a signed and sealed engineered drainage plan or a signed acknowledgement letter indicating that the site grading will be conducted under the direction of a Florida Registered Engineer during construction. Additionally, a certification affidavit prepared by the Engineer of Record attesting "The site has been graded properly as not to create any adverse conditions which would affect the adjacent properties" will be submitted, reviewed and accepted by authorized City staff prior to final project acceptance.
